

Hello Broadway High School Senior Class of 2018!

This summer we will be taking Senior Portraits of the 2018 Senior Class. **The dates are August 9, 10 & 11.** Please use the website below to schedule your time to come have your Senior Portraits taken. Be sure to schedule now so you get your preferred time.

svtss.acuityscheduling.com

We will be offering a huge selection of indoor and outdoor backgrounds and locations to be able to customize your senior portraits to best show off your style and personality. We will be taking a tuxedo or drape portrait for the yearbook. Once you choose your pose, it will automatically be sent to the yearbook and is guaranteed to meet the portrait specifications required by the yearbook.

We will be taking indoor portraits using chroma key technology so you can choose the background for all of your indoor portraits. We have the tuxes and drapes. You should plan for any other outfits you want to wear for indoor portraits.

We will be taking outdoor portraits about a half mile from BHS at Heritage Park. All of the outdoor photos will be taken there. You can bring any props you want to use in your photos. At the park we will have plenty of room, so if you want to bring your car, truck, horse, dog, cat, or anything else, we can usually accommodate it in your senior portraits.

These portraits are about showing off your personality and interests!

The evening after your portraits are taken, you will receive an email linking you to your personal senior portrait page. You can choose your yearbook pose and view all of your poses. Once you order a pose, it is automatically retouched to remove any facial blemishes before your portraits are printed. Once you place your order it is normally delivered to your home in about a week

Be sure to schedule your time now by going to svtss.acuityscheduling.com. If you have any questions just call or text us at 540-246-9000 or email info@svtss.com.
